

# New by Passier: Stirrup Bag and Cover for Stirrup Leathers

There are two new practical little helpers by Passier and they are all about the stirrups. Both are available now from Passier dealerships.

**The Passier Stirrup Bag** with a heavy-duty, top-quality Ripstop exterior and a soft cotton lining interior is simply perfect for securely covering the stirrups and also protecting the saddle from scratches at the same time. The Stirrup Bag has a practical rubber band at its top for easy attachment and a billet lead through in the middle for secure fastening of the stirrups.

**The Passier Cover for Stirrup Leathers** is the perfect accessory for riders, who prefer to fix the buckles of the stirrup leathers down at the stirrups and not at the stirrup bar in order to have close contact to the horse. The Cover secures the straps and protects the riding boots. It is available in the colors Black and Havana.

You can easily find Passier dealerships in your area with the Store-Locator at [passier.com](http://passier.com).
